NB Team Managers

- 1) We are keen to use this tournament to help develop young umpires, so please do bring any along but it would be helpful too if you could provide an experienced umpire to act as a mentor.
- 2) This is one of many events that together form the Wenlock Olympian Games and it's important that each individual event runs on time. We will have to start on time even if your full team hasn't arrived so please attend in time for the players and managers briefing at 9:45. That will also give you a little time for a warm up.
- 3) Please bring your normal playing colours and an alternative in case of kit clashes on the day.
